

UNDERGROUND DIRECT BURIAL DOG FENCE WIRE

Single:

Gauge Size	Insulation Thickness	Nominal O.D.
14	.0225	.120
16	.0225	.100
18	.020	.080

Twist*:

Gauge Size	Insulation Thickness	Nominal O.D.
14	.0225	.240
16	.0225	.200
18	.020	.172

Heavy Duty:

Gauge Size	Insulation Thickness	Nominal O.D.
14	.040	.155
16	.040	.135
18	.040	.120

Construction:

By using high strand counts on the wire and the special polyethylene coating, our direct burial fence wire is very durable while remaining flexible.

***Also available in solid bore copper**

***Twisted cable is now available in Black and Brown**
